

## RAL/Aggregates SEMINAR

# Aggregates Q3 Workshop

## Cloud Microphysics Research Affinity Group, NSF NCAR & UCAR

- **Wojtek Grabowski, MMM**
- **Jothiram Vivekanandan, EOL**
- **Trude Eidhammer, RAL**
- **Puja Roy, RAL/EdEC**
- **Sarah Woods, EOL**
- **Ulrike Romatschke, EOL**
- **Masih Eghdami, RAL**

**Wednesday, August 28, 2024 1-4 PM (MT)**  
HYBRID MEETING FL2-1022 | [Watch Live](#)

---

"The Aggregates" is an NSF NCAR and UCAR cross-lab initiative to foster collaboration in Cloud Microphysics Research, bridging the gaps between models, laboratory experiments, and observations. The Aggregates affinity group convenes quarterly workshops, each lasting about 3 hours, where we will have a mixture of presentations and open discussion.
