

Andy Thurling

NUAIR

Andy Thurling is CTO at NUAIR where he leads technical research on current and future UAS technologies, evaluates paths to implementation, helps develop industry standards for approval by regulators, and test techniques to verify compliance. He is active in national/international standards bodies and with JARUS and the ICAO Trust Framework Study Group. Prior to NUAIR, he led airworthiness, certification, and airspace access strategic efforts at AeroVironment.

Andy is a Distinguished Graduate of the USAF Test Pilot School and has over 2,300 hours in more than 35 aircraft types.
