

John T. Radovan

United States Air Force
Hanscom AFB, MA

Captain John T. Radovan, U.S. Air Force, is a program manager and staff meteorologist for the Battle Management Directorate, Hanscom AFB. In this position, he provides strategic vision, operational leadership, and business development for the Air Force Weather's \$960 million portfolio. John is an established thought leader in both the aerospace and atmospheric communities, and he is the only Air Force service member to receive the Air Force Weather's highest technical award as enlisted, officer, and flight commander for significant technical contributions to the warfighter. Later this year, he will be assigned to the prestigious Education with Industry program with Amazon. He holds an M.B.A. from the Kenan-Flagler School of Business, University of North Carolina, Chapel Hill.
